SUNSET SKIN

What's more gorgeous than a coral-and-pink-kissed sky? You, when you wear these face-flattering hues.

PRO TRICK Stick to creamy textures. It makes blending easier and creates a born-this-way glow. The three things you'll need: illuminating foundation, bronzer, and coral blush.

PRODUCT PICKS Philosophy Miracle Worker Foundation, \$40 (all over); Chanel Soleil Tan de Chanel Bronzing Makeup Base, \$48; plus Otaris Multi-Blush Cream Blush in Grenadine, \$30 (both on cheekbones)

Tank: Trina Turk, \$148; bra, Cosabella, \$99; skirt, Costume National; bracelets, Naisa Jewelry, \$39 each

AND NOW FOR A PSA...
Beach bound? If skin's been hibernating for winter, a tropical sunburn can actually increase your risk of melanoma more than a summer one can (it's called acute intermittent sun exposure), studies say. Stay safe with a double layer of SPF 30.
